SPLITECH2018

3RD INTERNATIONAL CONFERENCE ON SMART AND SUSTAINABLE TECHNOLOGIES

Technically Co-sponsored by:

IEEE — Advancing Technology for Humanity

IEEE ComSoc — IEEE Communications Society

IJHE · IJHE · International Journal of HYDROGEN ENERGY

SpliTech 2018: Let's make life easier
Bringing together academia and professionals
June 26 - 29, 2018.

CALL FOR PAPERS

The multi-day affair will feature the following activities:
1) Scientific conference, wherein we are inviting technical papers, 2) Professional papers on the same topics as in the scientific part, 3) Entrepreneurship and Industry presentations, 4) Product exhibits, 5) Opportunity to live, study and work in Split

For the conference, we are inviting technical and professional papers as well as posters and demos that discuss or depict applications in fields as following (but not limited to):

Health:
- Medical, Biomedical and Health Informatics
- Devices
- Communications and networking
- Signal/data processing systems
- Services and applications

Smart City:
- Smart City modeling and simulations
- Intelligent infrastructure
- Smart Economy development
- Algorithms
- Social Networking
- Computing Systems
- Safety and Security
- Multimedia
- Education
- Mobile applications
- Connected world issues

Energy:
- Energy Efficiency
- Sustainable Energy Technologies
- Hydrogen and Hydrogen Economy
- Renewable energy and clean energy sources
- Power engineering,
- Software systems for energy applications
- Nanomaterials in energy applications
- Biomaterials in energy applications

Engineering Modeling:
- Computational Electromagnetics
- Advanced numerical methods
- Computational mechanics
- Civil Engineering
- Industrial applications
- Biomedical engineering
- Environmental Modeling

Paper submission

Perspective authors are invited to submit their papers to EDAS in the following categories:

- Regular papers (up to 6 pages)
- Poster and Demo papers (3 pages)

All papers must follow the conference paper template. Please visit http://splitech2018.fesb.unist.hr/ for detailed submission instructions. Papers will be reviewed with the standard blind review procedure.

Deadlines

Full paper submission due	March	20,	2018.
Notification of acceptance	May	01,	2018.
Camera ready paper	May	20,	2018.

Fee

Membership	Early registration*	Late registration
Academia	450 EUR	550 EUR
Industry	450 EUR	550 EUR
Student	250 EUR	350 EUR

*by May 20

All questions regarding participation (involvement) in SpliTech should be addressed to splitech@fesb.hr
